Objective

- Junior Computer Science student at Texas A&M University that is looking for internships for Summer 2022. Currently have the most experience in Python and C++ and excited to learn more about computer science! Aspire to work in the software development, web development, or cybersecurity in the future.

Education

B.S. COMPUTER SCIENCE | TEXAS A&M UNIVERSITY | AUGUST 2019 – MAY 2023

- Related coursework: Introduction to Program Design and Concepts, Discrete Structures for Computing, Data Structures and Algorithms, Programming Languages, Computer Organization

Projects

AGGIE REGISTRATION ALERT | *FULL STACK DEVELOPER* | AUGUST 2020 – DECEMBER 2020

- Contributed to a team project to develop a program that will alert students whenever a previously full class gains an opening.
- Collaborated with the back-end team to pull class and section data from the Texas A&M server to use on the website using Python.
- Worked with the front-end team to design the website and user interface using HTML and JavaScript

PERSONAL PORTFOLIO WEBSITE | *DEVELOPER* | AUGUST 2021 – SEPTEMBER 2021

- Utilizing HTML, JavaScript, and CSS to create a personal portfolio website to showcase my education, work experience, skills, service and project information
